Job Announcement

Re-Advertisement Radio News Bureau Chief Augusta, Georgia

Please note: This is NOT an entry-level position.

Candidate Qualifications:

- At least five years of journalism experience in public radio and a minimum of a Bachelor's degree in mass communication, journalism, broadcasting, or a related field. Master's degree preferred.
- Self-starter able to work productively without direct supervision;
- Ability to form strong links with community decision makers;
- Excellent oral and written skills;
- Professional on-air delivery;
- Ability to operate within a fast-moving environment, which includes team members who are geographically separated from each other;
- Ability to maintain high journalistic standards under deadline pressure, including standards of balance and fairness;
- Ability to generate story ideas and develop story projects;
- Substantial experience preparing long-form feature reports;
- Excellent organizational skills and attention to detail;
- Digital audio production ability.

Job Responsibilities Include:

- Serves as the GPB representative to the communities within the assigned area;
- Cultivates and maintains contacts with community leaders and groups; arts and cultural organizations; the business community; local media;
- Coordinates all activities related to gathering and editing news within an assigned geographic area and filing news spots as needed to the main network newsroom in Atlanta;
- Participates in and monitors trends with community affairs and, in consultation with the network News Director, develops news product centered on community affairs and events within the community;
- Conducts research, writes and produces stories, and creates long-form, sound-rich features designed for insertion into network programming;
- Serves as the primary source of news vetting from the assigned area and coordinates with other news staff to aid in developing continuity in news reporting;
- Works with the general news staff and follows the lead of the News Director to merge related stories for pre-produced and original programming;
- Coordinates with the web development team to provide news content for the GPB web site;
- Is responsible for the editorial quality and integrity of locally produced news programming, ensuring the stories fall within the parameters of established editorial standards;
- Adheres to the highest journalistic ethics.

We Offer:

- Paid holidays, vacation and sick leave, retirement plans
- Pre-tax benefits for health, dental, visual, life and accidental insurance
- Health and child care spending accounts
- Disability insurance
- Opportunities for training and professional development

To Apply:

- Send Resume, letter of interest, three letters of reference including one from current or immediate past supervisor and two from current colleagues. Submit application materials by: July 31, 2007.

Salary Dependent Upon Experience

Email Resume to jobs@gpb.org or Mail Resume to Human Resources Office,
